We're looking for teenagers between the age of 14 and 18, who feel they are doing well, who have a parent who is a current or former member of the Canadian Armed Forces and whose mental health has been impacted by an occupational stress injury (OSI).

Teens will be asked to complete a 30-90 minute phone/skype interview about their experience of living with a parent with an OSI. You will receive a \$25 Amazon gift card as thanks for your participation
